Broker shall submit such waiver or other certification to Bright MLS within three (3) business days of execution of this Agreement.

If Seller DOES NOT authorize Broker to enter Property into Bright MLS, Seller acknowledges that by electing not to enter Property listing into Bright MLS: 1) real estate licensees from other companies and their buyer clients who have access to Bright MLS may not be aware that Seller's Property is for sale and the terms and conditions under which Seller is marketing Property; 2) Seller's Property will not be included in Bright MLS download to various real estate internet sites that are used by the public to search for property listings; and 3) any reduction in the exposure of the Property may negatively impact the sales price.

- 2) Further, such Broker's Fee shall be paid if the Property is sold, exchanged, conveyed, or otherwise transferred within days after the expiration of the Listing Period or termination of this Agreement (the "Protection Period") to anyone to whom the Property has been shown by Broker or anyone else, including the Seller, during the Listing Period, unless a valid listing agreement is entered into during the term of said Protection Period with another licensed real estate broker.
- 3) Payment of Broker's Fee is due at settlement.

Seller understands and agrees that public websites determine their own content and use of data, and therefore Broker has no control over public websites and no obligation to remove any of the above content from public websites at any time. Broker is further authorized to and shall market the Property through various means including, but not limited to: installing a sign, photographing the interior and exterior of the Property and installing a lockbox. - C. Hazardous Materials and Conditions:** There are environmental conditions and hazardous materials that could affect the Property and sale. Broker does not have the technical expertise to advise Seller of their presence. Seller may employ an expert to inspect for same. In the event Seller conducts such tests and makes reports available to Broker, Seller authorizes Broker to make said reports available to prospective buyers.
- D. Amend as Applicable:** Seller agrees to amend in writing the applicable Disclosures, if any material change affecting the Property occurs during the Listing Period.

Before and during any Covered Work project, contractor(s) must comply with all requirements of the RRP.

A Seller who personally performs any Covered Work on a rental property is required to be certified by the EPA prior to performing such Covered Work. No certification is required for a Seller who personally performs Covered Work on a Seller's principal residence. This inspection is in addition to the pre-settlement inspection and other inspections as agreed to in the sales contract. The inspection shall include the house, garage or other outbuildings and any fences abutting the house, as may be required by the sales contract. If infestation or damage exists, then prior to or at settlement, Seller agrees, at Seller's expense, to treat infestation and repair damage in accordance with the terms of the contract of sale or lender requirements. In the event Seller accepts a contract that includes VA financing, Seller agrees to reimburse Buyer for the reasonable cost of said inspection.

16. ENCUMBRANCES/LIENS/OTHER TITLE MATTERS: Seller represents that no other person or entity owns any portion of the Property or has any ownership rights to the Property.
